The City of Annapolis City Council

Petition Summary: **Remove residential parking signs from Archwood Avenue**

We the undersigned are residents of Archwood Avenue, Stehle Street and Academy Street, Annapolis Maryland 21401. We are requesting that the residential parking signs located between Stehle Street and Academy Street be removed. Based on observations over the last year we have not noticed any significant non-resident parking on Archwood Avenue or that this street is being used as an alternate parking option for businesses along West Street or during holiday events. The signature list below includes all residents on Archwood Avenue and those houses on the corner Archwood Avenue and the cross streets of Stehle Street and Academy Street impacted by the residential parking signs.

| Date | Name | Signature | Address |
