

Our mission is to inspire youth to discover their power and reach their goals through transformative mentoring, life-enriching opportunities, and family & community partnership and by serving as champions for equity.

At Charting Careers, We...

- **Support over 70 youth in Annapolis as they overcome challenges and access opportunities**
- **Partner with over 40 families to promote increased self-sufficiency**
- **Help build community and wraparound support in key Annapolis neighborhoods that have historically had less access to resources and opportunities**

City Community Grant Request

MENTORING

Funds to recruit, train, and support mentors for 20 more youth who are waiting for a mentor, so a total of 40+ youth can have a one-to-one mentoring match with a trusted adult

COMMUNITY IMPACT TEAM

Funds to support Community Impact Team to continue to support Eastport Community and Woodside Gardens Community with parent/caregiver goal-setting, resources connections, and additional community building activities, so families can become more self-sufficient

Leadership Development

Our Impacts

100% success rate of scholars graduating from HS! 15/15 of our seniors have graduated high school and have started college or career.

More than 89% of Scholars report...

- “Charting Careers introduced me to at least one new adult who I can turn to for advice and support.”
- “Charting Careers provided tutoring or other resources that have helped me be more successful at school.”
- “Charting Careers helped me be more comfortable with people of different cultural/racial/ethnic backgrounds.”
- “Charting Careers made me feel more valued by my community.”
- “Charting Careers helped me give back to my community through leadership and volunteer work.”

GOAL!

Over 70 young scholars supported each year through our long-term programming who set and achieve individual goals

Our Impacts

100% of elementary scholars make progress with reading goals

20 young scholars matched with a one-to-one mentor

15+ Parents and Caregivers set and achieve goals each quarter

280 middle school scholars benefit from AMS Career Day
