**Statement of interest – Why should you be appointed to this board/commission?**

I am a lifelong resident of the City of Annapolis. I have a strong commitment to the health of the Chesapeake Bay and it's watershed. Over the years, I have become increasingly concerned with the environmental degradation and pollution of our land and waterways. It is incumbent upon our Federal, State, and Local governments to provide the leadership and direction required to improve the health of our environment. As a member of the Environment Commission, I believe that I could be an energetic and enthusiastic addition and would work diligently to provide sound and reasonable counsel to the City's leaders.
