### **Market House Amendments**

The purpose of this legislation is to establish a public process for selecting a new Market House tenant and for providing initial guidelines as to such selection and the contents of any resulting lease.

The changes are further being proposed in preparation for a new lease of the Market House to one tenant who will operate the facility under Section 7.28.020 of the Annapolis City Code either as the sole tenant or in conjunction with sub-tenants selected by the tenant.
