City Council Citation Honoring John T. Chambers, Jr.

Mayor Pantelides on behalf of the citizens of the City of Annapolis, presented to Former Alderwoman Classie G. Hoyle representing the family of John Thomas Chambers, Jr., this CITY COUNCIL CITATION in recognition of Mayor Chambers' dedication and commitment to the citizens of Annapolis, both as an Alderman and as the First African American Mayor of Annapolis. Mayor Chambers began serving our citizens in 1967 when he became the Ward 7 Alderman, but after the City expanded to eight wards, Ward 3 elected him to represent Parole and other neighborhoods on the west side of the City. As Alderman, he introduced legislation for the Mayor to be a full-time position, worked to establish rent control, advocated for making Martin Luther King, Jr.'s birthday a State and City holiday, and placed a plaque at the foot of Main Street honoring Alex Haley's ancestor, Kunta Kinte. Following the unfortunate death of Mayor Gustav Akerland, the Annapolis City Council unanimously appointed Mr. John T. Chambers, Jr. as Mayor, a position he held from April 12 to June 7, 1981 thereby becoming Annapolis' first African-American Mayor. Mayor Chambers continued to devote his time and talents

to his community and shouldered the burden of the office during a period of severe turmoil. We honor his memory tonight and continue to show our eternal gratitude for his contributions to our City.

We applaud your years of fair and unbiased commitment when hearing certain appeals from decisions of the Planning and Zoning Director, special exceptions, variances, and other Planning and Zoning matters. This Council thanks you for the benefit of your knowledge and wishes you much success in your future endeavors.

City Council Citation Honoring Charles Zug

Mayor Pantelides invited former Mayor Ellen O. Moyer to present to Mr. Charles Zug on behalf of the citizens of the City of Annapolis, the CITY COUNCIL CITATION in recognition of your dedicated service to the Arts in Public Places Commission, allowing the City to benefit from your hard work and commitment. The Council is grateful for your time and talent in cataloguing art throughout the City and at the United States Naval Academy. We commend your efforts to ensure that numerous sculptures, pieces of stained glass, oil paintings, monuments, and murals each have a title, the artist's name, the date it was created, and the material used as part of its history. As a student intern for St. Johns College, we applaud your input as the Commission continues to document area artists and their special stories that make up our history. Because of your dedication to detail, the Commission now has approximately 100 items catalogued, continuing to build on the fact that Annapolis is an art museum without walls.
