Resolution 22-14

Waiver of Commercial Mooring Permit Fees for Annapolis Community Boating

The proposed ordinance would waive \$3,840 in commercial mooring permit fees for Annapolis Community Boating's use of two commercial moorings near the Ellen Moyer Nature Park Boating Center. Pursuant to the pending resolution, the permit fee waiver would be in effect for one year from which date that Annapolis Community Boating begins use of the commercial moorings for which the permit fees would be waived.
