Statement of interest – Why should you be appointed to this board/commission?

I am applying for a position on the Transportation Board because of the importance that transit in Annapolis has had in my life. I grew up using the public transportation system in Annapolis, and I understand the importance of an effective parking system in developing a thriving commercial sector. In addition, I see the repair of road infrastructure (specifically potholes) as vitally important, and I am keenly interested in how our transportation systems in Annapolis could be improved.

Through my work as a staffer in the Maryland House of Delegates, as an advocate in the private sector, and as a community organizer, I've developed a level of expertise in public policy and team-building that I believe would be helpful to the Transportation Board and the City of Annapolis. I hope to work with others on the team to create a more efficient, equitable, and effective transportation system.
