

R-46-19

Compensation of Acting Department Director Nash

Amendment 1, Mayor Buckley

Amendment No. 1

In line 43, strike “November 27, 2019” and substitute “December 1, 2019.”

This amendment corrects the starting date of the Council’s consent to compensate the Acting Director to December 1, 2019, six months after the Director of Planning and Zoning position became vacant on June 1, 2019. The resolution as introduced incorrectly set the commencement date 180 days, not six months, after the position became vacant.
