## City Council Citation

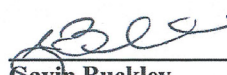

On behalf of the residents of the City of Annapolis, we are pleased to confer upon you this City Council Citation in recognition of your cross-departmental work to get City Recreation and Parks facilities ready for the spring and summer recreational season. Over winter, as a member of the Department of Public Works masonry crew, you worked early and often over the winter weather months to update six dugouts. The work helps Recreation and Parks efforts in building new dugouts for youth programs, adult programs, local communities and taxpayers. The jobs were done in a very timely manner and the crew's determination was on point and showed true professionalism during the entire process. Thank you DPW and fellow masons! You are a true asset to the City of Annapolis.
