Transportation Board Quorum - For the purpose of establishing a quorum of the Transportation Board as a simple majority of the sworn members.

Section 2.48.320 of the Code of the City of Annapolis sets the quorum of the Transportation Board to be eight members of the fifteen-member Board. The membership of the Transportation Board, however, continuously has had two or more vacancies since February, 2013. These vacancies have caused the Board difficulty in achieving a quorum for meetings to conduct business. Accordingly, the Transportation Board has requested that the City Council adjust the necessary quorum.

Adoption of this legislation would establish a quorum of the Transportation Board as a simple majority of the sworn members.
