City Council Citation Charles Zug

On behalf of the citizens of the City of Annapolis, we are pleased to confer upon you this **CITY COUNCIL CITATION** in recognition of your dedicated service to the Arts in Public Places Commission, allowing the City to benefit from your hard work and commitment.

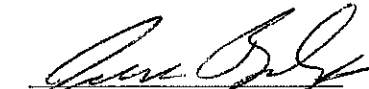

The Council is grateful for your time and talent in cataloguing art throughout the City and at the United States Naval Academy. We commend your efforts to ensure that numerous sculptures, pieces of stained glass, oil paintings, monuments, and murals each have a title, the artist's name, the date it was created, and the material used as part of its history.

As a student intern for St. Johns College, we applaud your input as the Commission continues to document area artists and their special stories that make up our history. Because of your dedication to detail, the Commission now has approximately 100 items catalogued, continuing to build on the fact that Annapolis is an art museum without walls.

Given Under Our Hands and the Great Seal of the City of Annapolis this 27th day of October, 2014.
