#### Statement of interest – Why should you be appointed to this board/commission?

My interest in the Annapolis Arts In Public Places Commission stems from my volunteer service on the board of the Annapolis Arts District. I also am one of the principal volunteers with the First Sunday Arts Festivals for the past twenty years.

In addition to murals, sculptures and music concerts I hope our commission can promote more outdoor music performances, dance performances and develop a new policy for buskers.

I would like to encourage cooperation between the County and City for the use of Peoples Park and other parks within the City for summer long concerts in cooperation with organizations and communities in the City.
