O-2-26**Mooring Requirements in City Waters**

For the purpose of clarifying that moorings may not be installed within 75 feet of another mooring or a structure rather than applying the 75 foot measurement from the moored vessel and clarifying that all transient mooring balls are owned by the City and are not private; allowing the Harbormaster to adopt rules and regulations consistent with Title 15 of the Code of the City of Annapolis as to the types and lengths of vessels that may use any mooring in City waters; updating the definition of "mooring(s)"; and generally related to mooring requirements in City waters.
