

# LEGISLATIVE SUMMARY

O-25-24

Special Residential Parking Districts - Technical Corrections

This summary was prepared by the City of Annapolis Office of Law for use by members of the Annapolis City Council during consideration of the legislation.

---

## BILL SUMMARY

O-25-24 makes technical corrections to the City's Special Residential Parking Districts to ensure the City Code conforms to district boundaries and parking contractor requirements.

### **Section 12.20.180**

Changes parking on King George Street between Wagner Street and the King George Street Bridge from eight hour parking to nine hour parking to match the existing street signs.

### **Section 12.20.185**

Removes provision related to District 1 because District 1 no longer includes the Bloomsbury Square area.

### **Section 12.32.020**

Removes the unnecessary clause, "as reserved parking or no parking zones."

### **Section 12.32.160**

Moves North Acton Place, South Action Place, and Shaw Street between South Street and Franklin Street into District 2.

### **Section 12.32.170**

Moves the Shaw Street (between Lafayette Avenue and Franklin Street) into alphabetical order

### **Section 12.32.180**

Removes Calvert Street and St. John's Street from District 4, and ensure all of Bloomsbury Square is in District 4.
