City Council Citation

On behalf of the residents of the City of Annapolis, we are pleased to confer upon you this City Council Citation in recognition of being named an Annapolis Police Department scholarship recipient. Scholarship funds can be used for college or trade school. Since 2017, nearly 30 scholarships have been awarded to Annapolis students. Congratulations on joining an amazing group of young people from our community! The funding for the scholarship program comes from several anonymous benefactors and community donations. For the fifth year, an anonymous donor made a generous donation in memory of those lost in the attack on the Capital Gazette in 2018: Gerald Fischman, Rob Hiaasen, John McNamra, Rebecca Smith and Wendi Winters. As the Annapolis Police Department celebrates more than 150 years of service to the Annapolis community, we know that providing young people with academic and educational communities is important. We thank and support both our donors and our scholarship recipients - we wish much success to you!
