

STAFF REPORT ON PROPOSED LEGISLATION

To: Mayor Gavin Buckley

From: David Jarrell, City Manager

Date: December 5, 2021

Subject: R-34-21, Fiscal Year 2022 Fees Schedule – Building Code

This Resolution modifies fees pursuant to the Building Code so that work with an estimated value of up to \$500 will be charged a \$100 application fee and a \$150 permit fee. Currently, there is no fee for work with an estimated value below \$500. These small projects require as much staff time for processing and inspection as other projects with a value up to \$25,000.

Additionally, the fee for filing an appeal to the Building Board of Appeals will increase from \$250 to \$450 to reflect the increased staff cost of managing these appeals through the process.
