

## FISCAL IMPACT NOTE

---

**Ordinance:** O-9-22

**Title:** Off-Street Parking Requirements – Food Establishments

**Date:** May 18, 2022

---

This ordinance eliminates off-street parking requirements for bars, taverns, delicatessens, restaurants, and social clubs. This may increase the demand for paid public parking, which will increase parking revenue for the City; however, we cannot determine the amount. In addition, if the businesses decide to use the private parking lot for outdoor dining, there will be an increase in the capital facility fees from expanded occupancy.
