Extending Hours in Parking Districts 3 and 4

The majority of Special Residential Parking District (SRPD) 3 and all of SRPD 4 are in effect from eight a.m. to six p.m., Monday through Friday.

Due to the commercial success of the MX Zone between Church Circle and Westgate Circle, however, there has been a significant increase in the number of customers, clients, patrons, and employees that visit the area with their automobiles. Consequently, the demand for parking now saturates the residential areas adjacent to the MX Zone in the evenings and on weekends.

Concerned residents of Murray Hill and President's Hill have petitioned the Transportation Board to extend the hours of SRPDs 3 and 4 to midnight, seven days a week on certain streets within Murray Hill and President's Hill. Three City parking garages and additional private garages are available and open to the public along the MX Zone to accommodate parking demand.

The Transportation Board received these petitions at their April 22, 2016 meeting, deliberated upon them, and voted to recommend the requested changes to the City Council.
