Legislation Title: Shiley Park

Description: For the purpose of designating certain City-owned land at the eastern end of Shiley Street in West Annapolis as a public park; and matters generally relating to said park.

Analysis of Fiscal Impact: This legislation would designate approximately 1/18th of an acre of land at the eastern end of Shiley Street in West Annapolis as a public park; land in which certain residents of Shiley Street have been planting and maintaining through the City's GreenScape Program for the last eight (8) years. This legislation would not create a fiscal impact.
