CREATING INCLUSIVE SPACES

1 in 4 individuals face sensory challenges in their daily lives. Through a partnership with KultureCity, the leading nonprofit on sensory accessibility, Historic Annapolis can ensure our museum sites are sensory inclusive and welcoming for neurodivergent visitors.

PROJECT SCOPE

TRAINING – Our guest services staff and volunteers will receive annual training provided by KultureCity to ensure exemplary experiences for individuals who have a variety of sensory needs.

MATERIALS and PROMOTION – Sensory bags for our sites and communication strategy support from KultureCity will provide the tools for HA to expand our city's distinction as a welcoming and inclusive destination.
