

## FISCAL IMPACT NOTE

---

**Charter Amendment:** CA-1-25

**Title:** City Council Compensation

**Date:** February 19, 2025

---

This resolution resolves a conflict within the City Charter concerning the compensation of City Council members and the City Manager. Under the revised provisions, a citizen commission will continue to determine the salary of the City Council, while the City Council itself, rather than the citizen commission, will establish the salary of the City Manager through the annual pay and compensation resolution. All compensation details will be included in the annual budget, as approved by the City Council.
