

FISCAL IMPACT NOTE

Resolution: R-56-23

Title: FY 2024 Fines Schedule Update – Abandoned Vehicle

Date: October 30, 2023

This resolution increases the fines for abandoned vehicles in the City of Annapolis. According to the Director of Transportation, in past years, there have been 51 instances of keeping wrecked or inoperable vehicles on public property (Code Section 12.44.040.B). The proposed fine increase could generate approximately \$7,700 of additional revenue annually based on previous years' offenses. There has been two instances of repeat violations. The proposed fine increase could generate approximately \$500 of additional revenue annually based on previous years' offenses. SP Plus stated that fines for keeping wrecked or discarded vehicles on private property (Code Section 12.44.040.B) have not been enforced.
