

R-12-16  
FY 2017 Fees Schedule

Pantelides Proposed Amendment

On Page 9, add Section “7.48.610 TRANSPORTATION NETWORK FEE \$0.25”

RATIONALE

SB 868 established a regulatory framework for “transportation network services” that encompasses “transportation network companies” and “transportation network operators.”

The City Council adopted Ordinance 11-16, which authorizes the City of Annapolis to assess “transportation network services” that originate within the City up to \$0.25 per trip. This fee needs to be added to the Fee Schedule to remain in compliance with the legislation and in order to access and collect the fee.
