30 **SECTION I: BE IT ESTABLISHED AND ORDAINED BY THE ANNAPOLIS CITY**
31 **COUNCIL** that the Code of the City of Annapolis shall be amended to read as follows:

32
33 **Title 4 – ELECTIONS**
34 **Chapter 4.28 - ABSENTEE VOTING**
35 **Section 4.28.100 Canvassing of ballots.**

- 36
37 A. The board shall not open or unfold any provisional or absentee ballot at any time prior to the
38 closing of the polls.
39 B. At any time after the closing of the polls on election day and not later than the canvass of the
40 votes cast at the regular voting places in the City, the board shall meet at the office of the
41 board and shall proceed to count, certify and canvass the absentee ballots contained in the
42 ballot envelopes.
43 C. Timeliness of absentee ballots:
44 1. A ballot shall be considered as received timely, provided:
45 a. It has been received by the board prior to the closing of the polls on election day; or

1 b. It was mailed on or before election day, the United States Postal Service, or postal
2 service of any other country, has provided verification of that fact by affixing a mark
3 so indicating on the covering envelope, and the board receives the ballot from the
4 United States Postal Service not later than 10:00 a.m. on the ~~date of the canvass~~
5 TUESDAY FOLLOWING THE ELECTION DAY.

6 2. Any ballot not received in accordance with subparagraph 1 above shall not be counted.

7 D. All ballots are presumed to be validly cast, and all votes are presumed to be valid and shall be
8 counted, notwithstanding any deficiency in the manner in which the ballot and/or vote was
9 sought, sent or presented to appropriate officials, and no ballot or vote shall be set aside unless
10 there is clear and convincing evidence, as unanimously determined by the board of canvassers,
11 that said ballot and/or vote was improperly cast.

12 E. A ballot may not be rejected by the board except by the unanimous vote of the board members
13 present and voting, provided at least two members are present and that they are not of the
14 same major political party. This canvass shall be conducted by ward and precinct in
15 accordance with the applicable provisions of this title. All voters' applications, medical
16 certificates, notarial affidavits, certifications, ballot envelopes and ballots, to have voters'
17 applications and all documentation kept separately from ballots cast in polling precincts, shall
18 be kept separate and apart from ballots cast at the regular voting places and retained for six
19 months after the date of election at which they were cast, unless, prior to that time, the board
20 is ordered by a court of competent jurisdiction to keep the same for any longer period. The
21 board may appoint those numbers of temporary judges as the board may deem necessary to
22 adequately and promptly carry out the provisions of this section.

23 F. Any absentee ballot voted for a person who has ceased to be a candidate shall not be counted
24 for that candidate but the vote shall not invalidate the remainder of the ballot.

25 G. If the absentee resident who marked a ballot dies before election day, the ballot shall be
26 counted if the ballot is postmarked or received before the absentee resident's death, and the
27 fact that the absentee resident later may be shown actually to have been dead on election day
28 shall not invalidate the ballot or the election.

29 H. For the purposes of absentee ballots, if the board determines that the provisions for filling out
30 and signing the oath on the outside of the ballot envelope substantially have been complied
31 with and that the person signing the voter's oath is entitled to vote under this title in any
32 precinct of the City, and already has not voted in the precinct on election day, they shall open
33 the ballot envelope and remove the ballot and place it in a ballot box or ballot boxes prepared
34 for that purpose. If an oath is unsigned, it is automatically excluded from the count. When any
35 ballot envelope is opened, the board shall enter in the appropriate register the fact that the
36 voter whose name appears on the envelope has voted, using the initials "A.B." to indicate the
37 vote has been by absentee ballot. If there is more than one ballot in the ballot envelope, all
38 shall be rejected. Absentee ballots may be marked by any kind of pencil or ink.

39 I. For the purposes of provisional ballots, if the board determines that the voter is entitled to vote
40 under this title in any precinct of the City and has not already voted in the precinct on election
41 day, they shall open the ballot envelope, remove the ballot and place it in a ballot box or ballot
42 boxes prepared for that purpose. When any ballot envelope is opened, the board shall enter in
43 the appropriate register the fact that the voter whose name appears on the envelope has voted,
44 using the initials "P.B." to indicate the vote has been by provisional ballot. If there is more
45 than one ballot in the ballot envelope, all shall be rejected. Provisional ballots may be marked
46 by any kind of pencil or ink.

1 J. If the board receives from the same person, prior to the deadline for receipt of absentee ballots,
2 more than one absentee ballot, it shall count, certify and canvass only the absentee ballot
3 contained in the ballot envelope on which the voter's oath was last executed, and if the oath
4 on two or more of the ballot envelopes containing absentee ballots are dated the same or if
5 both are undated, none of the ballots received from such persons shall be counted.
