Financial Advisory Commission
Referral Action Report

Date: April 28, 2016

To: City Clerk
City of Annapolis Office of Law, Legislative and Policy Analyst

The Financial Advisory Commission has reviewed O-14-16 and R-11-16 and has taken the following action:

Favorable

Favorable with amendments

Unfavorable

No Action

Other

Comments:

1. Appropriation for sidewalk repairs should be moved to the capital budget and program, rather than operating budget, since this is a capital expenditure
2. The capital budget document or some other readily accessible document should include an explanation as to why projects with lower project rating scores were selected for appropriation and projects with higher project rating scores were not. This explanation will enhance accountability and provide public explanations as to why some projects were favored over others.
