City Council Citation

On behalf of the residents of the City of Annapolis, we are pleased to confer upon you this City Council Citation in recognition of your work to support residents with parking assistance, and other information, during the Annapolis Primary Election. When the City realized residents may need support as they arrived at the polling place at City Hall, you were available to help with planning and then, on the day itself, you worked from 7 a.m. to 8 p.m. with minimal breaks. Your effort ensured someone on hand at the entrance to the Hillman Garage for the whole time polls were open. You greeted those arriving and provided assistance to voters and remained helpful, cheerful, and smiling throughout. Thanks to your efforts, voters were able to park and access Annapolis City Hall with ease. We thank you for your outstanding efforts to support our residents in exercising their democratic rights and ensuring our local elections went smoothly and successfully.
