

STAFF REPORT ON PROPOSED LEGISLATION

To: Mayor Gavin Buckley
From: Michael Mallinoff
Date: July 6, 2023
Subject: R-35-23: FY 2024 Fines Schedule Correction

Purpose of legislation

The purpose of this legislation is to correct the Fiscal Year 2024 fines under Title 17 of the City code.

Impact of legislation on operations

This legislation corrects an administrative error and is intended to maintain existing operations. If the legislation does not pass, the City would no longer be able to assess and collect fines for "Illicit Discharge and Connection Stormwater", which would have to be communicated to staff so that they know to no longer assess them.

Impact of legislation on staffing

This legislation does not impact staffing.
