### Bill Summary

O-13-25 establishes the compensation and benefits package for the city manager, City Council, and Mayor for the upcoming council term.

### *Background*

According to Article II, Section 401(b)(1) of the City Charter, the Annapolis City Council is required to review the pay and benefits of Council members and vote on the compensation plan for the next term before the end of the current term.

To assist with this, the Council established the 2025 Salary Review Commission, composed of city residents, to provide recommendations. O-13-25 contains the commission's recommendation as presented to the Council.

The Charter specifies that the Council can accept the recommendations in whole or part. While the Council can reduce or reject the commission's recommendations, members cannot increase or add benefits.
