

FISCAL IMPACT NOTE

Ordinance: O-6-21

Title: Agency Regulations

Date: February 10, 2021

This ordinance establishes procedures for the adoption of regulations by a City of Annapolis department, board, or commission by requiring public notice and an appeal process. If the legislation passes, it is expected to increase the staff time required to complete the adoption process. However, we are unable to estimate the fiscal impact of this ordinance, as we cannot predict how many regulations will be adopted and how many staff hours will be required to get a regulation through the adoption process.
