

DEBORAH A YATSUK

418 FOX HOLLOW LN

ANNAPOLIS, MD 21403

I am interested in serving on the City of Annapolis' Board of Supervisors of Elections since I believe our opportunity to choose our leaders through the electoral process makes our nation great. The trust of the voters, and an election beyond reproach, are essential for the process to work.

I have lived and been active in Annapolis municipal issues as a citizen for 33 years, serving on the city Parks and Recreation Advisory Board, special events such as the Queen Anne Ball and First Night, the Hunt Meadow HOA, school board nominating conventions, President of the Annapolis Rowing Club, member of Annapolis for a Better Community, church roles and youth sports coach.

As a staff member of the City of Bowie for 23 years I was the city liaison to community groups and city committees as well as serving on the MD Municipal League board and its committees. I have worked the past ten years for our local Republican state delegates Herb McMillan and Ron George. Del. George serves on the election law subcommittee that has given me insight into those matters while the legislature has allowed me to see unique perspectives and how pieces can fit together.

Growing up in Michigan, my father was a city councilman, Mayor and Planning Commission chair - all repeatedly. I am a life-long Republican who has never missed voting in an election, and take the ability to do so seriously. Whatever the party, my hope is that Americans connect with their government and make informed choices.

My bosses and co-workers have said two of my greatest assets are my integrity and diplomacy. If you could use me, I would be honored to bring those to the table on the Board of Supervisors of Elections.

Thank you for your consideration.

Sincerely,

Debbie Yatsuk
