

FISCAL IMPACT NOTE

Resolution: R-30-21

Title: Chesapeake Region Accessible Boating (CRAB) – Waiver of Fee-In-Lieu of Planting

Date: October 21, 2021

This resolution recognizes CRAB's development efforts and waives the fees-in-lieu of (FILO) planting required by the City Code. Waiving the fees will forgo city revenue of \$41,750. However, the staff report and attached letter from the State of Maryland Critical Area Commission (CAC) indicate the Council cannot waive the FILO without the conditional approval from the CAC.
