MTA is committed to carrying out the federal grant program and ensuring that all applicable federal requirements are met.

NOW, THEREFORE, in consideration of the mutual covenants, promises and representations herein, the parties hereto agree as follows:

SECTION 1 – PURPOSE OF GRANT

The purpose of this Grant is to provide for the undertaking of a public transportation service (hereinafter referred to as the "Project") with financial assistance (hereinafter referred to as "Operating Assistance") to the PUBLIC BODY under MTA's public transportation program for the Projects contained in this agreement and to state the terms and conditions upon which such assistance will be provided and the manner in which the Project will be undertaken. The Operating Assistance provided by this Grant consists of a combination of federal, as provided for in a contract executed between FTA and the MTA, and State funds provided by the MDOT and Local funds provided by City of Annapolis.

With respect to the federal funds provided to the MTA for the Project, the PUBLIC BODY is deemed by FTA to be a "subgrantee".

SECTION 2 – THE PROJECT

The Project involves the continued or improved operation of the public transportation of the PUBLIC BODY for the time period stated on page one (1).

The PUBLIC BODY agrees to undertake and complete the Project substantially as described in its application, filed with and approved by the MTA and the Secretary, incorporated in this Grant by reference, and in accordance with the terms and conditions of this Grant.

- A. Federal funds granted to the MDOT/MTA by FTA are not to exceed the amounts shown on page 10 and,
- B. State funds are not to exceed the amounts shown on page 10.

The PUBLIC BODY agrees that it will provide local public funds from sources other than federal funds, (except approved unrestricted federal funds) or from revenues from the Project in an amount sufficient, together with the Operating Assistance to assure payment of the actual Net Project cost.

SECTION 4 – NET PROJECT COST

The Net Project Cost shall be the amount of the total eligible project expenses that exceed the total eligible project income, as determined by the MTA. The estimated Net Project cost is shown on the first page of this Agreement.

SECTION 5 – THE PROJECT BUDGET

The Project Budget and Allocation of Operating Assistance is incorporated herein as Appendix A. Reallocation of Capital Assistance funds between budget items during the Project Time Period which does not increase the maximum amount of funds provided, will require prior approval by the MTA.

Payment will be made upon receipt and approval by the MTA of a Request for Payment submitted by the PUBLIC BODY in conformity with Section D, paragraph two, of the "Guidelines for Project Administration," which is attached as Exhibit B to this Grant Agreement.

Notwithstanding anything herein to the contrary, the MTA shall not provide the Operating Assistance described in Section 3 in the event that:

1. the PUBLIC BODY has not executed a contract for the Project as described in Appendix A within the fiscal year of the Project Budget; or
2. the PUBLIC BODY does not submit a Request for Payment under Section 3 of this Agreement within sixty (60) days after delivery/completion and acceptance of the Project.

SECTION 7 – CONTRACTS UNDER THIS GRANT

Prior to execution, the PUBLIC BODY shall submit to the MTA for its review and approval any third party contract proposed to be executed in accordance with this section in conformity with Section C, paragraph 2 of the "Guidelines for Project Administration," which is attached as Exhibit B to this Grant Agreement.

SECTION 8 – NO MTA OBLIGATIONS TO THIRD PARTIES

Neither MDOT nor the MTA shall be subject to any obligations or liabilities by contractors of the PUBLIC BODY or their subcontractors or any other person not a party to this Grant in connection with the performance of the Project pursuant to the provisions of this Grant without the specific consent of the MTA and MDOT and notwithstanding its concurrence in or approval of the award of any contract or subcontract or the solicitation thereof.

SECTION 9 – REPORTS AND RECORDS

The PUBLIC BODY shall submit to the MTA such progress narrative, financial and statistical reports relative to the Project in a form and at such times as prescribed by the MTA in Section D, paragraph 3 of the "Guidelines for Project Administration," which is attached as Exhibit B to this Grant Agreement.

SECTION 10 – DOCUMENTATION OF PROJECT COSTS

The PUBLIC BODY shall assure that all costs charged to the Project, including any approved services contributed by the PUBLIC BODY or others, are supported by properly executed payrolls, time records, invoices, contracts, or vouchers evidencing in detail the nature and propriety of the charges as described in Section D, paragraph 4 of the "Guidelines for Project Administration," which is attached as Exhibit B to this Grant Agreement.

SECTION 11 – PROJECT ADMINISTRATION

The PUBLIC BODY shall designate a Project Director to act on its behalf in the negotiation of matters arising out of the Grant Agreement and to assume supervisory responsibility for the administration of the Project.

The PUBLIC BODY shall administer the Project in accordance with the "Guidelines for Project Administration," which is incorporated by reference in this Grant Agreement and attached as Exhibit B.

The Administrator of the MTA or his designee shall be the authorized agent to act on behalf of the Secretary, MDOT, and the MTA in the administration of this Grant. The Administrator's designee for the project is named in Exhibit C to this Agreement.

SECTION 12 – PROJECT SETTLEMENT AND CLOSE-OUT

The MTA may utilize a final audit of the Project to determine the final financial settlement of the Project. If it is determined, as a result of audit, that the MTA has made payments in excess of the amount provided for in Section 3 above, the PUBLIC BODY shall promptly remit to the MTA such excess amounts. PUBLIC BODY's covenant to repay such excess amounts shall survive the termination of this Agreement. The PUBLIC BODY shall retain on file all records relating to the Project for three (3) years after Project settlement and closeout. The retention period starts upon notification by the MTA that the federal project has been closed out on a statewide basis regardless of the close of the project period. If any litigation, claim or audit is started before the expiration of the three-year period, the records must be retained beyond the three-year period until all litigation, claims, or audit finding involving the records have been resolved.

- (c) Funds are not appropriated by the General Assembly of Maryland to fund this Grant.

Termination of this Agreement will not invalidate obligations properly incurred by the PUBLIC BODY prior to the date of termination if such obligations are unable to be canceled. The acceptance of a remittance from MTA (on behalf of MDOT) of any or all funds, or the closing out of MDOT and/or MTA's financial participation under this Agreement, shall not constitute a waiver of any claim which MDOT and/or MTA may otherwise have arising out of this Agreement. If, upon termination of this Agreement, it is determined by the MDOT and/or MTA that funds are due to MDOT and/or MTA, the PUBLIC BODY shall promptly remit such amount to MTA within forty-five (45) days following written notification to the PUBLIC BODY. The PUBLIC BODY's agreement to remit any excess Grant funds to the MDOT and/or MTA shall survive the termination of this Agreement.

Dear LOTS: *Kwaku*

Enclosed for your consideration is your FY 2015 operating grant agreement for funding to support public transportation services. As in years past, before we can release any of the funds associated with these grants, you will need to have these documents fully executed and returned to the Maryland Transit Administration (MTA). To ensure your funding is available in a timely manner, the requested documents should be returned to the MTA by September 1, 2014. There are no procedural changes to this year's process. The following should assist you in ensuring that the proper documentation is completed.

- Please note that there are two (2) copies of each document. Please have both copies signed by the appropriate officials. One copy should be kept in your files and one copy should be sent back to:

Nonni Stermer
Maryland Transit Administration
9th Floor

In consultation with our Legal Department, The MTA has standardized the language to be included in the Annual Transportation Plan (ATP) grant agreements. The standard language has incorporated revisions requested by various county/legal entities over the past few years.

This is the grant agreement that will be distributed to any entity who has agreed to receive federal and/or state funding. Any unilateral modifications to a grant agreement signed by the MTA may void the entire agreement as it is not a term or condition that the MTA has previously accepted.

Again, thank you for your continued participation in our programs. If you need more information please contact Jeannie Fazio at 410-767-3781 or our Grants Administrator, Ms. Christy Mainley at 410-767-3757.
