

FISCAL IMPACT NOTE

Ordinance: O-55-22

Title: Sediment Control Inspections Process

Date: March 6, 2023

This ordinance adds conditions for re-inspection, creates milestone inspections, and updates the related milestone inspection fees to pay for the additional costs of inspection. The milestone inspection fees will provide revenue for the Watershed Restoration Fund and the fiscal impact of the fee will be discussed in the fiscal impact note for R-15-23.
