

STAFF REPORT ON PROPOSED LEGISLATION

To: Mayor Gavin Buckley

From: Tricia Hopkins, Human Resources Manager

Date: October 22, 2021

Subject: O-36-21, Exempt Service – Police Professional Standards Manager

This ordinance transfers the contractual position of Professional Standards Director to the exempt service as an A-17 Police Professional Standards Manager while expanding the duties of the former position. The position will be responsible for compliance related functions to include policy and procedure development including departmental orders, implementation of legislative requirements, internal affairs function and related responsibilities. This position will have the lead role in implementing the State of Maryland police reform legislative bills in accordance with the legal requirements and established time frames passed by the legislature.
