

STAFF REPORT ON PROPOSED LEGISLATION

To: Mayor Gavin Buckley
From: Sally Nash, Director of Planning & Zoning
Date: April 20, 2020
Subject: R-17-21, Housing Authority of the City of Annapolis - Choice Neighborhood Planning Grant

This resolution expresses the will of the council in terms of partnering with the Housing Authority of the City of Annapolis (HACA) to apply for a U.S. Department of Housing and Urban Development, Choice Neighborhood (CNI) Planning Grant. The first phase of this effort is the preparation and filing of the application. The City is proposing a matching \$32,000 toward this expense, followed by the second phase if the grant is awarded. The master planning effort will be approximately \$574,497.00, half of which total costs the City intends to pursue sharing with HACA, which would require an allocation of funding of approximately \$287,248.50 in FY23. Actual funding for this effort will require additional action by the City Council.
