THE NEED IN ANNE ARUNDEL COUNTY

Education Gaps

Many adults lack a high school diploma or basic computer skills, limiting job opportunities.

Workforce Challenges

Employers seek skilled workers, but many residents lack access to training and certification programs.

Engagement and Retention

Investing in training shows employees that the organization values their growth, boosting morale and retention.

IMPACT OF OUR WORK

- **Over 150 residents annually benefit from our free career training and education programs.**
- **Increased employment rates and job retention for program participants.**
- **Empowering underserved communities to break cycles of poverty and unemployment.**

FY25 Enrollment 143

GED and Career Pathways 92, GED-SP 24, ESOL 27

TRANSPORTATION

ONLINE LEARNING ELIMINATES THE NUMBER ONE ISSUE ALL NONPROFITS FACE.

Lack of transportation is a problem because it severely limits people's ability to access essential services like healthcare, education, employment, and even basic necessities, leading to social isolation, economic disadvantage, and can affect vulnerable populations like the elderly and people with disabilities.
