**Statement of interest – Why should you be appointed to this board/commission?**

I have resided in the City of Annapolis since 1979. During that time I have come to regard Annapolis as my hometown, and I have learned to appreciate its history, quality of life, and its progress into the future. In many ways I have attempted to do some small part in preserving the city's historical treasures and influencing its future course.

These efforts include a campaign for alderman in Ward 5 (unsuccessful), membership on the Democratic Central Committee for the city 30 years as a member of the Planning Commission (appointed by five mayors), service on numerous mayoral transition teams, and membership on other boards.

My educational background includes a doctorate in the history of American Art with a specialization in painting and sculpture of the late-nineteenth and early-twentieth centuries. As a graduate student I audited classes in American colonial architecture and have maintained an interest in that subject culminating in a current position as a presenter of the Architrex tours (walking tours of the historic district), a cooperative effort of Historic Annapolis and Watermark Tours.
