

Yard to Table Project

Eat, Learn, Earn

LETTUCE

Provide elevated garden boxes, classes, and ongoing consultation to help Clay Street Community grow crops and build boxes for use/sale.

Goals	Plan	Results
Improve Food Security EAT	Build, install and plant 16 elevated garden boxes	<ul style="list-style-type: none"> ➤ Built 23 boxes with materials for 7 more; ➤ Installed and planted 21 boxes to date (more scheduled for Spring '24)
Improve Life Skills LEARN	Conduct 6 classes	Conducted 6 classes on: <ul style="list-style-type: none"> ➤ box construction, ➤ planting, ➤ square foot gardening, ➤ preserving and ➤ grant writing (2).
Increase Community Prosperity EARN	Community manages program and creates their own business opportunities	Community members: <ul style="list-style-type: none"> ➤ created new boxes for sale, ➤ maintained boxes and harvested produce, ➤ organized additional classes and planting ideas ➤ made plans for expanding to larger plots.

Community needs:
fresh produce, community building, education, opportunity

Community
connections;
relationships and
connections built
and how they
benefit community

Future plans

- Expand to another community such as Annapolis Gardens
- Provide larger garden plots for Clay Street Community (for example, First Baptist Church or Elks Lodge)
- Continue to engage University of Maryland Extension and expand to other experts.
