REFERENCE: Petition for Annexation – Annapolis Neck, LLC

I have reviewed the above referenced documents and would like to clarify one item. The Fiscal Impact Analysis, Exhibit "M" page 22 indicates that "the City of Annapolis receives payments from Anne Arundel County in lieu of taxes for these services". This is no longer the case, the payments for fire protection from the County ceased when the County opened the Annapolis Neck Fire Station. But, we do have a mutual aid agreement with Anne Arundel County and share resources and respond to emergency calls in the County.
