## City Council Citation Sharon Disher

On behalf of the citizens of the City of Annapolis, we are pleased to confer upon you this **CITY COUNCIL CITATION** in recognition of your dedication and commitment to the citizens of Annapolis as a prominent United States Naval Academy graduate and as a community leader, both of which have earned our attention and respect.

We applaud you for being a constant contributor to our community as a mother, a wife, a former Naval Officer, an author, a business owner, and community leader. As Sharon Hanley, you were among the first class of women to attend and graduate from the Naval Academy, becoming a Commissioned Officer in the Navy and serving as a civil engineer for 10 years. As an Academy graduate, the wife of a Naval Academy graduate, and the mother of three Naval Academy graduates, your family is the first in American history to achieve this level of family participation and the first to contribute this level patriotic service to their country.

Your enthusiasm as the lead of a tutoring and mentoring group at the Stanton Center, working in tandem with the Midshipman Action Group, will prove inspirational in your new position as the new STEM instructor at the newly-renovated Annapolis Elementary School. Your successes are endless and will only be enhanced in your new career, as you work to produce the next generation of scientists and engineers, through your motivation and personal love of Science, Technology, Engineering and Math. Given Under Our Hands and the Great Seal of the City of Annapolis this 10th day of November, 2014.
