City Council Citation

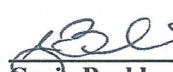

On behalf of the residents of the City of Annapolis, we are pleased to confer upon you this City Council Citation in recognition of your work to help the residents of the Annapolis Light House Shelter when a fire made the shelter uninhabitable during one of the worst rain, wind, and flood events the City has ever experienced. As a team member of the Annapolis Department of Recreation and Parks, you had already put in a full day when you got the call to stage the auxiliary gym for overnight guests. You prepared the room by setting up cots and making the space as comfortable as possible. When Annapolis Transportation brought the guests to the Roger "Pip" Moyer Recreation Center you greeted them warmly and gave them the dignity they deserved in a stressful situation and stayed with them as necessary - even helping to get meals from Bread and Butter Kitchen in Eastport. We thank you for your service to these residents and all the residents of the City of Annapolis. We appreciate all you do!
