

PETITION

Rationale: The growing number of restaurants and night spots in the Arts and Entertainment District on Inner West Street has made parking for residents of Presidents Hill increasingly difficult during the evening hours. More than a third of the households in our neighborhood—41 out of 113, or 36%--lack off-street parking, and there are no viable alternatives for parking within walking distance. Thus, we request that the hours of residential parking for our streets be extended to include the entire period between the hours of eight a.m to midnight seven days a week; these are the same hours now stipulated in Chapter 12.132.170.C for Dean Street, Shaw Street, City Gate Lane, Water Street, Larkin Street, and German Street in Special Residential Parking District 3, who pay the same permit fees as residents of Parking District 4.

Petition: We, the undersigned residents and property owners of Special Residential Parking District 4, request that the City of Annapolis amend the City Code Chapter 12.32.180 to limit parking on Hill Street, Jefferson Place, Madison Place, and Munroe Court to two hours between the hours of eight a.m. and midnight, seven days a week, unless the vehicle parked within this area displays the special residential parking permit
