

MEMORANDUM

DATE: September 11, 2023

TO: Annapolis City Council

FROM: Mayor Gavin Buckley
City Manager Michael Mallinoff

RE: Confirmation of Exempt Level Appointment

Pursuant to City of Annapolis Code, Section 3.08.030, we are seeking confirmation by the City Council of my appointment to the following Exempt Service position:

Burr Vogel –Director of Public Works - A20/step 11, \$184,940

A copy of Mr. Vogel’s resume is attached for your review and consideration.

Mr. Vogel has been serving in the role Acting Director of Public Works since July 1, 2023, immediately following the retirement of Director of Public Works and former City Manager David Jarrell. Prior to that he had worked as a Civil Engineer and Project Manager in the Annapolis Department of Public Works since November 2022 where he had the opportunity to become familiar with the major capital project initiatives underway including the City Dock project. The Mayor and City Manager found Mr. Vogel’s experience to be a great benefit to the City and the many initiatives already underway.

Prior to his service to the City, Mr. Vogel was a senior project executive at Jacobs Technology in Bangor, WA directing a \$320 million operations and maintenance contract. During his distinguished career in the Navy, Mr. Vogel has held major leadership in civil engineering and operations management to include director of public works at Joint Base Pearl Harbor-Hickham (Hawaii), one of the largest Department of Defense installations in the world, and at Naval Support Activity in Bethesda. His last assignment with the Navy was Executive Officer for the Naval Facilities Engineering

Systems Command Washington DC where he directed 1300 civilian engineers, architects, tradesmen and other professionals delivering full lifecycle facility and infrastructure services worth over \$1B per year to 10 Department of Defense campuses in the Nation Capital Region. He navigated the COVID-19 pandemic's impact during this assignment.

Mr. Vogel is a Licensed Professional Engineer (PE) who holds a Master of Science in Construction Engineering and Management from Georgia Institute of Technology and a Bachelor of Science, with High Honors in Petroleum Engineering from the University of Texas at Austin.

Accordingly, we trust that you will find the education, training and experience of Mr. Vogel to exceed the minimum qualifications required for the position. Mr. Vogel will be present for confirmation at the City Council meeting scheduled for Monday, September 11, 2023.
