## City Council Citation

On behalf of the residents of the City of Annapolis, we are pleased to confer upon you this City Council Citation in recognition of your work to help the residents of the Annapolis Light House Shelter when a fire made the shelter uninhabitable during one of the worst rain, wind, and flood events the City has ever experienced. As a team member of the Annapolis Fire Department, you quickly responded to the incident, then worked to quickly assess the situation, ensuring that all of the residents and families were safe and out of harm's way. When it turned out that sheltering at the location overnight was not a possibility, you worked with Light House management and called in support for the residents from other City departments. We thank you for your service to these residents and all the residents of the City of Annapolis. We appreciate all you do!

Presented to:
