## **OBJECTIVE**

I am seeking a position in the community that will allow me to utilize my professional skills that I have developed over the course of my career in the maritime industry as well as enhance my leadership and communication abilities.

## **WORK EXPERIENCE**

### **Maryland Pilot Association 2010 – Present**

I'm currently a First Class Pilot of Unlimited Tonnage upon the Chesapeake Bay. My responsibilities include safely navigating all commercial vessels in and out of the port of Baltimore and vessel transiting on the Chesapeake Bay.

### **American Maritime Officers 2004 - 2010**

After Graduating from the United States Merchant Marine Academy, I joined AMO union and sailed overseas on RORO vessels carrying military and commercial cargo on both Northern European and Middle Eastern Trades.

## **EDUCATION**

United States Merchant Marine Academy (USMMA)

Degree: Bachelor of Science

Major: Logistics and Intermodal Transportation

## **LICENSES AND CERTIFICATIONS**

USCG License:Master, Unlimited Tonnage Inland waters  
Second Mate, Unlimited Tonnage Ocean
