If you did not upload a resume, please provide details about your educational background.

As a Plastic and Reconstructive Surgeon, I served Anne Arundel Medical Center, now Luminis, for over 2 decades, then started my own practice at 116 Defense Hwy. Serving the emergency room and my local community, I've offered over 3 decades of care to many. Having retired in 2018, I now serve as Pastoral Care Coordinator for my faith community by supporting the house bound or dying who need help, of course as a volunteer.

If you did not upload a resume, please provide details of your or relevant experience.

Pre-med - University of PA Medical School - University of Massachusetts @ Worcester
General Surgery Resident - State University of New York, Stony Brook Plastic Surgery
Resident - New York Hospital, Memorial Sloan Kettering & Hospital for Special Surgery - New York City

Other experience (volunteer experience, memberships you would like us to consider)

As a single mother, I've raised my son throughout education and training to become a surgeon, bringing this service to my home, here in Annapolis. I've been a Quaker since birth and maintain a commitment to racial justice, diversity and equality in association with the Caucus of African American Leaders. Serving as a Lighthouse volunteer, I've supported the shelter since its inception. As a gardener and proponent of the environment, I maintain a natural wildlife refuge at my home, which I've owned since 1989.

Why are you interested in serving on a board or commission?
