Dear Mr. Bucheli:

The Honoree Committee is submitting the name of Richard Decker to receive the Martha Wood Leadership Award for October, 2014. He was selected based upon his dedicated service to the Communities of Harbour House and Annapolis Gardens.

It is reported that Mr. Decker delivers monthly Resident Council Meeting notices throughout his Community of Annapolis Gardens and works closely with the President of the Resident Council ensuring the opening and locking of the community basketball court. He picks up and disposes of trash in the Community (totally unsolicited) and clears snow from parking spaces and walkways of neighbors; in Mr. Decker's former residence of Harbour House he cleaned the Community Center on a regular basis. He and his wife have both worked for years to assist and find homes for stray cats in the Communities of Harbour House and Annapolis Gardens.

For his many years of service to the Communities in which he has lived, it is with pleasure that the Honoree Committee has selected Richard Decker as the forty-sixth recipient of the prestigious Martha Wood Leadership Award.

Sincerely,

The Honoree Committee
