Pindell-Charles Amendment #1 - restore DNEP Administrative Position:

Objectives of the amendment(s): To fully reinstate the full-time position, with benefits, of the Office Associate position, currently housed in DNEP. See narrative attached/below.

OPTIONS/PROPOSALS TO FULLY REINSTATE THE FULL-TIME OFFICE ASSOCIATE POSITION, WITH BENEFITS, CURRENTLY HOUSED IN DNEP:

Move my personal salary and expense account (totaling \$15,000.00) from the Mayor's budget to DNEP and/or P&Z as a starting point to reinstate this position and hopefully, DNEP and P&Z are able (and probably willing) to come up with the remaining funds; and the person in this position can work for DNEP and P&Z. It is my understanding that this position is and can be very vital to both departments.

I should note here that: I am especially willing to go public with this proposal, as well as my other proposals.

Use the salary of the retiring person in P&Z to cover the salary to reinstate this position; and this person can work for P&Z and DNEP. It is my understanding that this position is and can be very vital to both departments.

Alderman Pindell Charles moved to amend O-8-14. A roll call vote was taken.

The motion DEFEATED by the following vote:

- Aye:** 4 - Alderman Budge, Alderman Pindell Charles, Alderman Finlayson and Alderman Kirby

Finlayson Amendment #2 A -HR Administrative Position to increase the personal property in the amount \$38,000.00 to cover the salary:

Objectives of the amendment(s): To restore Administrative positions to better serve the public as these are the "front line" employees and the faces of the departments to the public. To better support our professional staff so that they can focus their efforts on the tasks they are trained and educated to do. There is no additional staff available to fill these responsibilities.

Alderman Finlayson moved to amend O-8-14. A roll call vote was taken. The motion DEFEATED by the following vote:

- Aye:** 4 - Alderman Budge, Alderman Pindell Charles, Alderman Finlayson and Alderman Kirby

Finlayson #2B DNEP to refund position:

Objectives of the amendment(s): To restore Administrative positions to better serve the public as these are the "front line" employees and the faces of the departments to the public. To better support our professional staff so that they can focus their efforts on the tasks they are trained and educated to do. There is no additional staff available to fill these responsibilities.

Alderman Finlayson moved to amend O-8-14. A roll call vote was taken. The motion DEFEATED by the following vote:

Aye: 4 - Alderman Budge, Alderman Pindell Charles, Alderman Finlayson and Alderman Kirby

Nay: 5 - Mayor Pantelides, Alderman Paone, Alderman Littmann, Alderman Pfeiffer and Alderman Arnett

Budge Amendment #1- Parking Specialist Position:

Objectives of the amendment(s):

Restore the presently vacant role of Parking Specialist, but as a contractor or consultant. The City needs access to an individual with expertise in parking management. The individual will be able to assess and adjust parking rates to reflect demand in our present parking system as well as examine and implement new parking technologies and practices. This was discussed favorably in the Finance Committee but apparently not voted on, as it is not included in the Mayor's amended budget.

This position is funded by recognizing additional revenue from parking ticket rates (which go from \$25 to \$35) and increased parking enforcement (which is included in the Mayor's 5-19-14 budget). A straight-line extrapolation of the increased rates and enforcement would suggest a \$480,000 increase in revenue from Street Parking Charges compared to the baseline (March) budget. The combined cost of the additional Parking Enforcement Officers and the Parking Specialist would be \$182,600, equal to 38% of the potential increase in revenue already in the budget. Put another way – in the baseline budget each PEO brings in \$116,000 in revenue. The combined cost of the two PEO's and Specialist still would be less than the revenue that can be expected from the PEO's alone. Therefore I am recommending the cost of the Parking Specialist position can be safely contained within the Parking Fund budget.

Alderman Budge moved to amend O-8-14. Seconded. CARRIED on voice vote.

Finlayson Amendment #1 EPARM:

Objectives of the amendment(s): To restore funding to EPARM for the Deputy position. MEMA is willing to increase funding to help support this important position and the many departments that benefit from the grant funds brought in by EPARM have pledged funds to offset the cost of the position.

The deputy is a valuable position in the department and there is no one to assume the duties. Elimination of the position would greatly impact our ability to manage emergencies and put all residents at greater risk.

Alderman Finlayson moved to amend O-8-14. Seconded. A roll call vote was

taken. The motion **CARRIED** by the following vote:

Aye: 6 - Alderman Budge, Alderwoman Pindell Charles, Alderwoman Finlayson, Alderman Littmann, Alderman Kirby and Alderman Pfeiffer
