

**O-47-16 Extending Hours in Parking District 3  
Budge Proposed Amendment  
November 11, 2016**

**Amendment 5:**

Page 4, Line 21: Strike "SOUTHGATE" and replace it with "MURRAY".

*As amended:*

AND LAFAYETTE STREET FROM WEST TO ~~SOUTHGATE~~ MURRAY.

**Rationale:**

There are no residences with addresses on this block, so obviously there are no petitioners living here requesting to extend hours. No one commented, for or against, extending the parking hours on this block. The block has ample off-street parking for the residences that are on the adjoining corners of Murray and Southgate.
