**Updating and Amending Title 17 of the Annapolis City Code
(Chapters 17.04 and 17.08)**

For the purpose of updating and amending Chapters 17.04 and 17.08 of the Annapolis City Code to prohibit the use and sale of coal tar pavement products; and matters generally relating to Chapters 17.04 and 17.08.

At the request of Alderman Littman, I drafted this legislation to mirror similar legislation already adopted by Anne Arundel County, Maryland.

The proposed changes to Chapters 17.04 and 17.08 would prohibit the use and sale of coal tar pavement products in the City of Annapolis, require the production of an alternative products list by the applicable City department, and establish a fine for violations.
